
Student Threat Assessment and Management System Parent/Guardian Interview - Level 1

Step 1: Directions for Case Manager:

This interview is only to be conducted by a school counselor or administrator as a supplement to the Level 1 Assessment Protocol (by phone or in person) if a parent/guardian does not attend the Level 1 Assessment meeting. Address the following questions through an interview or conversation with open-ended inquiry.

Do **NOT** ask the parent/guardian to read and complete the questions by themselves.

Although a parent/guardian can provide crucial information regarding a situation, do not delay the Level 1 Assessment if the parent is not available, is unwilling to cooperate, or if the Site Team determines that the parent should not be included at this time.

The following is an examination of current circumstances, and as these circumstances change, so too does concern for aggression; therefore, review the results of this interview while being mindful of supervision, intervention, and the passage of time. Each question is a prompt for exploration of circumstances that may involve the escalation of violence.
